Accounting Department

Vision

The department vision is to be recognized as an innovative leader in professional accounting education and to become one of the primary departments of excellence in education in the Arab world.

Mission

The department mission is to develop top quality accounting graduates with the highest level of professional integrity and technical base of knowledge, abilities, and skills (KASs) to meet the challenges of a dynamic global business environment through our world-class teaching, innovative research, multi-disciplinary approach and partnerships with leading businesses, universities, and research institutes worldwide.

Objectives

The goals of the department can be summarized in the following points:

1. To develop well prepared accounting graduates who can compete in the global business market.
2. Prepare students professionally to be specialized in financial and managerial accounting, auditing, cost accounting, and accounting information systems.
3. Prepare students technically by providing them with internships, analyses of case studies, skills and methods courses and other hands-on experiences.
3. To develop a high quality teaching program that keeps pace with the dynamic global business market.
4. Improve teaching methods in order to successfully tackle present and future challenges by engaging highly qualified scientists and researchers their graduate studies in distinct universities abroad.
5. Update the curriculum on a regular and maintain a focus on Knowledge, Abilities, and Skills (KASs).
3. Promote scientific research and the dissemination of accounting knowledge.
4. Encourage the writing, publishing and translation of important accounting books and references, hold and attend academic conferences.
4. The Department's goal is for its female students to obtain a high quality education as well as leaders in the Saudi business community. It encourages the female students to continue their studies and attend graduate accounting programs to obtain their master's and/or Ph.D. degree.
